

PLEASE SPONSOR DEL SINGH'S

MT. KILIMANJARO NEW YEAR'S EVE CLIMB

FOR SUE RYDER CHARITY

Sue Ryder

incredible care
for incurable illness

MY STORY

- 54 years of age, has lost over 10 stone (66Kg) during 2015 after gastric surgery in 2014
- Now fitter, my challenge for 2016 is to climb the highest mountain in Africa, Mt. Kilimanjaro – 19,341ft
- A physical 6 day climb between Christmas and New Year reaching the summit on New Years' Day to see in 2017 at "The Roof of Africa"
- I am also climbing to raise £3,250 for Sue Ryder the charity that helps the terminally ill and those with incurable illness
